Comments

Não estão cobertos por este certificado módulos de interface, de emissão de RF e outros protocolos de sinalização passíveis de homologação, ainda que especificados em documentos técnicos do produto. Caso estes venham a ser fornecidos ou utilizados será obrigatória sua certificação e homologação.

Constitutes an obligation of the manufacturer or supplier of the product in Brazil to identify all approved products with Anatel's mark before its distribution to the market, as well as observe and maintain the technical characteristics which motivated the original certification.

The information in this Approval Certificate can be confirmed in the Certification and Approval Management System - SCH, available on Anatel's website. (www.anatel.gov.br).
